2009 Leaf Pickup Program

Beginning October 28, Salt Lake City will begin its annual leaf removal program for the fall. The bagged leaves collected through the program are composted at the Salt Lake City landfill.

Placement Instructions:

Place bags on the park strip in an open accessible area

Do not place household garbage in leaf bags

The location must be away from trees, fire hydrants or other fixed objects

Leaf bags will be distributed the end of October; however, any store purchased lawn bags may also be used. A limited supply of additional bags will be available during November at the following City locations:

Streets Division: 850 South 300 West, 8 a.m. - 5 p.m.

City & County Bldg: 451 South State Street, 2nd Floor Security Desk, 8 a.m. - 5 p.m.

Public Utilities: 1530 South West Temple, 8 a.m. - 5 p.m.

Forest Dale Golf Course: 2350 South 900 East, Administrative Office, 9 a.m. - 5 p.m.

Please see the attached printable document titled "Leaf Collection Program 2009" for a map and the dates of the pickup.

Wondering what to do with the rest of your leaves?

Don't send them to the landfill!

Dried leaves contain nutrients that are beneficial for your yard!

Compost

Fall is a perfect time to start composting. Leaves – mixed with grass from your last mow are ideal. Mix them into your existing compost bin or pile, or spread a six-inch layer of leaves throughout your gardens.

Donate

Contact your local community garden or ask a neighbor with a large garden if they want your extra leaves.

City Collection

Put leaves (unbagged, of course) in your city-issued yard waste container. We'd actually prefer to pick them up this way because it's more efficient. The last week of collection through the Yard Waste Program will be November 30 – December 4.

Don't have a yard waste container? Sign up now. We'll deliver a container before you start to clean up your yard in the spring, and we won't charge you for the service until pickup begins next season. To sign up on line:

<https://dotnet.slcgov.com/publicutilities/billpayment/> (You'll need your city water account number.)

Bag your leaves and place them at the curb. To see the leaf collection schedule, please open the attached document.

Residents of Salt Lake County can find information about leaf removal services here:
