

## MAKING 200 WEST A BETTER STREET FOR ALL USERS

In 2015, a number of changes will take place on 200 West to better serve residents, maintain public infrastructure, and improve the corridor for people and businesses.

### Why 200 West?

As part of Salt Lake City’s efforts to provide residents, employees and visitors with many transportation options, this project will:

- Connect businesses and neighborhoods with downtown
- Connect hotels with the Salt Palace and downtown
- Improve the walking and bicycling experience throughout the corridor

### Street conditions and changes:

- 200 West is very wide with little auto traffic. The street’s vehicle capacity is currently 90% under-utilized.
- The surface will be resealed to improve pavement quality.
- After sealing, the street will be reconfigured to provide a more equitable and efficient use of space, providing better conditions for walking and bicycling.
- Public art will also be added.

## CHANGES TO THE STREET

Benefits	Impacts
<ul style="list-style-type: none"> <li>- Improved walkability</li> <li>- Bicycle access for all ages and abilities</li> <li>- Connections to downtown</li> <li>- Reduced speeding</li> </ul>	<ul style="list-style-type: none"> <li>- One vehicle lane in each direction</li> <li>- Some on-street parking reduction</li> </ul>

## PROJECT TIMELINE

**Spring 2015:** Final Design

**Spring to Early Summer 2015:** Utility Upgrades - from February to July 2015, Questar will be installing a new gas main on 200 West from 100 South to 800 South.

**Summer 2015:** Road resurfacing - the Salt Lake City Streets Division will reseal pavement on the street to improve asphalt quality.

**Summer/Fall 2015:** Street layout changes - following re-sealing, the street's layout will change. Parking will be shifted away from the curbs, separating auto traffic from curbside bike lanes.

## PROJECT CONTACT INFO

Thank you for your interest in this project. We want to talk with you about the specific impacts at your business, and how we can make the construction process go smoothly. Please call or email if you would like to set up an appointment.
